Subject: Lot 32 Build Plans - With Changes in Progress

Hello Guys,

This is the basic layout of the build plans for lot 32 - Phase 1.

The only changes being made to these plans are as follows:

- Adding a covered roof over master and guest decks.
- Using either all Hardi siding or 1/2 hardi and 1/2 limestone rock on bottom half.
- Location is 50' off neighboring boundary line (RV lot next to me) and 20' from main road to front porch. 26' to front door.

Builder is currently working on final drawing. Will forward it to you as soon as i receive it.
