All,

Below is a request to enclose a pole barn on lot 12. The owner has had a pole barn structure on their lot for many years. They are requesting to enclose it and make it a "real" barn". The structure is completely hidden by the road.

I recommend approval of the owner's request.

Please send back your response.

Thanks

Taylor

Taylor,  
See pole barn enclosure plans from the Jordan's that need approval.

Thanks,  
Caitlin
